PACAH 2022 Spring Conference

April 19 – 21, 2022

Penn Stater Hotel & Conference Center

State College, PA

PACAH looks forward to seeing all of you in person and welcomes all in the long-term care industry to join us for timely speakers, great educational sessions, exhibitors, and time to network.

Our conference format offers both in-person and virtual attendance.

In order to keep our staff, attendees, and exhibitors safe, we are taking all necessary precautions. Masks will be required, unless eating, for all, and all attendees must be fully vaccinated. For more information on our commitment to well-being, please refer to PACAH 2022 Commitment to Well-Being on our spring conference webpage.

Many meals will be grab-and-go or boxed. While some meals will be transportable, we will still offer seating so you may network with fellow attendees.

Please see below for a tentative in-person conference timeline, which is subject to change.
